

Service Profile

This section only needs to be completed if you are a centre-based service.

The Service Profile collects information on the number of children enrolled in the service by the cohorts the programme supports, including children with disability, from refugee/humanitarian background, culturally and linguistically diverse backgrounds and Aboriginal and Torres Strait Islander status. It also identifies the service's inclusion practices and community outreach strategy.

Service details

Date of effect:

04/04/2019
